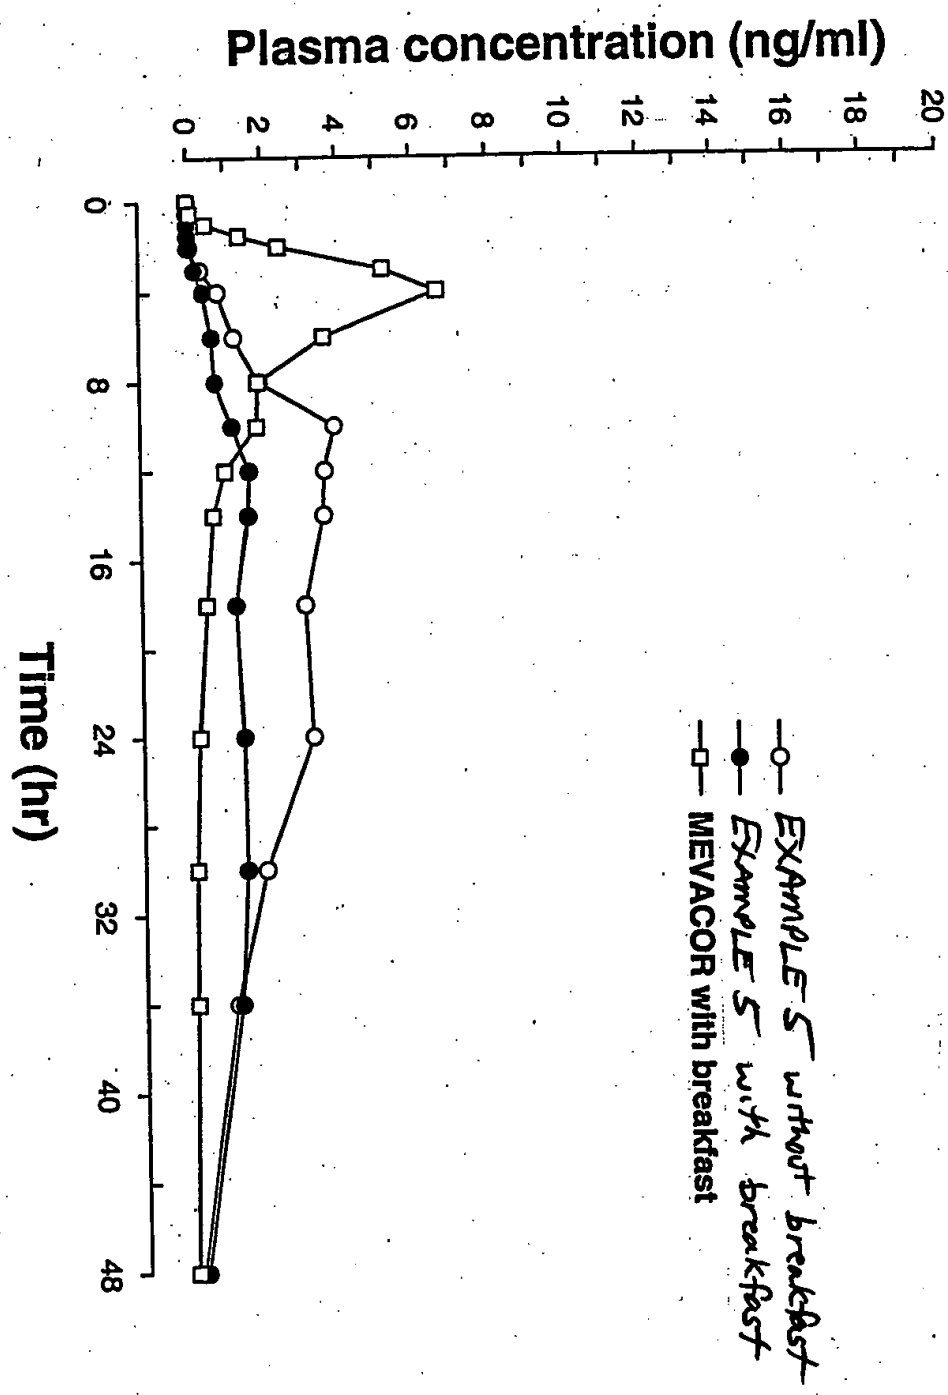

Figure 10

Mean Plasma Concentration-time Profiles of Lovastatin and Lovastatin Acid In Patients (n=12) after Multiple-dose Administration of Lovastatin XL or MEVACOR

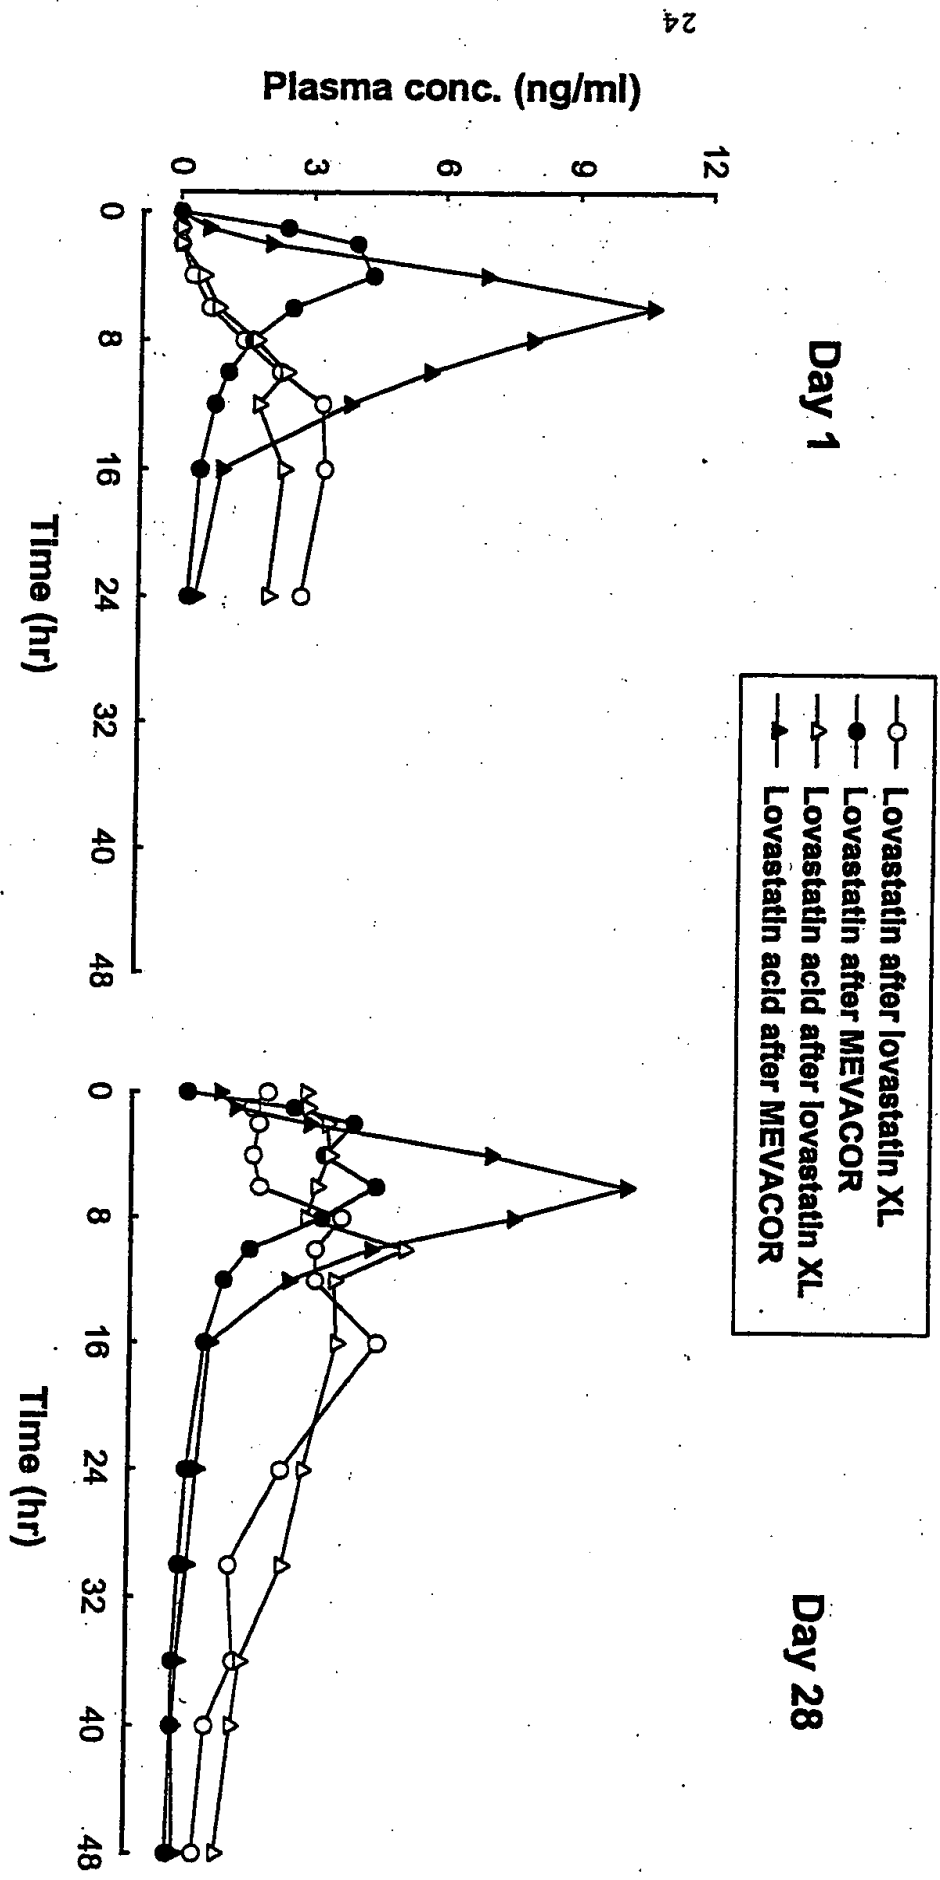

Figure 11

Mean Plasma Concentration-time Profiles of Total and Active Inhibitors of HMG-CoA Reductase in Patients (n=12) after Multiple-dose Administration of Lovastatin XL or MEVACOR

Day 1

- Total HMG-CoA reductase inhibitors after lovastatin XL
- Total HMG-CoA reductase inhibitors after MEVACOR
- △ Active HMG-CoA reductase inhibitors after lovastatin XL
- ▲ Active HMG-CoA reductase inhibitors after MEVACOR

Day 28
